I have the honor to forward for consideration and early orders an application from the Photographer attached to this Department requesting that, under the circumstances detailed by him, he may be granted as a special case an advance of Rs 500, to be repaid by monthly deductions from his pay, until he is able to sell some houses which he owns. Owing to the recent deaths in his family, he has been obliged to vacate his house with all the other members, and the greater part of their clothes and other effects have been destroyed by the Plague officials. He is thus reduced to much difficulty
